

We are delighted to welcome you as a valued client of the Practice and would like to take the opportunity of wishing you every success in meeting your personal and business goals. We will be with you every step of the way and will be happy to get involved on a day to day basis as much or as little as you wish.

In maximising your opportunities, you may wish to call upon our IT services (MJR Computer Solutions) or wealth management arm of the Practice (MJR Wealth Management). You can be assured of receiving the usual level of service you expect from Mark J Rees.

MARK J REES

# Welcome

## **MJR** Computer Solutions

Our highly competent and reliable team of in-house IT consultants can help you with your business IT requirements. If you need assistance with networks, servers, remote access, websites or troubleshooting software or hardware they will be delighted to take your call. We operate on a no fix-no charge basis so you really have everything to gain! Chris House, our Microsoft Certified System Engineer, looks forward to taking your call.

## **MJR** Wealth Management

This is our independent financial advice arm whose aim is to plan for your needs and meet your financial objectives. You may already have a range of financial plans in place - but are you absolutely sure they're the most appropriate for you and your circumstances today?

Please do not hesitate to ask us for a personal financial review.
